DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

This Action is in response to the "Order Returning Undocketed Appeal to the Examiner" mailed August 15, 2007. The Order noted the amendment to the specification filed November 1, 2006 had not been considered. The Order remanded the application to the examiner in order that the amendment be considered. Said amendment has been fully considered. It contains no new matter and has been entered. The amendment in no way affects the pending rejections detailed in the Examiner's Answer.

This rectifies all the deficiencies noted in the August 15, 2007 "Order Returning Undocketed Appeal to the Examiner." The application has been forwarded to the Board for consideration of the Appeal.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kevin R. Krueer whose telephone number is 571-272-1510. The examiner can normally be reached on Monday-Friday from 7:30a.m. to 4:00p.m.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Carol Chaney, can be reached at 571-272-1284. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
